Note about Location:

For **the standard package** I recommend sticking to a versatile location such as a park or a city in order to get the most out of your investment. Although it is recommended to stick to one location with this package, you are able to choose two if they are within 5-10 minutes from each other. Keep in mind, travel time does not pause the duration of the session. *ask me about my indoor studio sessions if interested*

Travel Fee:

Depending on the location chosen, a travel fee of **at least \$15** may apply on location's further than 45 minutes from Cypress, Tx.

Being on time:

Being on time is crucial due to the fact that sessions could be scheduled back to back. Your session starts and ends on the time agreed upon the day of your booking. Photoshoots are meant to be fun, not stressful. Give yourself plenty of time to get ready prior to your shoot!

How will I receive my files

All images will be professionally edited and lightly retouched as needed.

Finalized images will be delivered to you through an online gallery. You will have the opportunity to download all images at high resolution for free as well as purchase prints, canvases and or keepsakes through this website.

Galleries will be sent within **two weeks** of your session.

24 hour turn around time is available for \$50 upon request

Make sure to **save + backup** your images as I clean out my client files monthly and cannot guarantee that I will back up the images for you.

Booking your day

I require a **\$100 deposit** via cash app to secure your session's date + time. This app is safe, reliable and easy to set up. Once you have downloaded the app and created an account, you can find me under **\$nataliajphotography**

If you are new to Cash app, contact me prior to creating an account to receive \$5 cash back!

I do not write anything down in my calendar until the deposit has been paid, making your desired time slot up for grabs. **Nothing is booked until the deposit has been paid.**

WHAT HAPPENS IF YOU NEED TO CANCEL/THE WEATHER IS NOT COOPERATING

If the weather is not in our favor/act of god/I am sick/ etc., you may put your deposit towards a reschedule. However, if you need to cancel or do not show up to the session, the deposit will not be refunded.

The other half of the payment + travel fee (if applied) is due the morning of your session. Cash app, checks or cash are all accepted.

*I LOOK FORWARD TO
CREATING WITH YOU...*
